*Day by day,
dear Lord, of
you three things
I pray: to know
you more clearly,
love you more

Know someone going to COLLEGE?

Help Them Get Connected

What are Newman Centers?

Newman Centers are places on campus that provide pastoral and ministry services to the Catholic student population. They are located on universities all throughout the country. Almost every major secular college campus has a Catholic presence through these Newman Centers. It is here where you can find your family; your home away from home. These centers and their people will welcome you with open arms and would love to meet with you in person on your campus visit.

Connect With Us

Deciding on a college is one of the toughest decisions for young adults to make. What do I want to do with my life? Where are my friends going? Will I be able to fit in and make new friends? Can I leave my family? All of these questions will undoubtedly cross their mind at some point in time. We want you to know that we are here to help. By getting your young adult "Connected" to our program not only will we reach out to them but the campus ministry at the college they have chosen will too, hoping to make your student feel right at home.
